To all our respected customers

The restaurant staff dedicate themselves to offering good food, served graciously and efficiently. Because all of our meals are cooked to order, our biggest challenge is the time element. When we are busy, the cooking of your meals may take a little longer in preparing, seasoning and cooking. Despite the many original selections on our menu it is almost impossible to satisfy everyone's individual tastes.

If you have any dietary requirements please inform a member of staff. Some of our dishes contain nuts. You have come to Orlando to be completely satisfied. If for any reason you are dissatisfied, please bring it to our attention immediately and we will extend all our efforts to right the situation, whilst you are still dining with us. Knowing our mistakes will be constructive in assisting us to improve our service to you.

Thank you and Buon Appetito
